Improving Our Local Environment

NEWSLETTER 26 APRIL 2018

Next work session Sunday 15 April 10 am

Meeting at the cemetery gates. Come dressed to help with the woodland management of the paths, where we are hoping to bring into view some of the feature trees we have.

Date for your diary is our next session Sunday 6 May

The Friends of Emroyd management group are also supportive of other Parish Council initiatives which are underway and are happy for the newsletter to be a mechanism for communication. If you would like to become involved in organising Litter picking sessions please get in touch with Sue in the Parish Council office (01924 261481 or email: clerk@sitlingtonparishcouncil.gov.uk).

We are also looking for donations of plants for summer planters around the village. Please get in touch if you have any spare.

Hope to see you on the 15th.
