

# Friends of Emroyd

Improving Our Local Environment

## **NEWSLETTER 27 JUNE 2018**

We did it!!!!

Friends of Emroyd were fundamental in the Parish Council securing a grant for the second phase of track development in Emroyd. A big thankyou to Trish Hattersley who did a lot of the groundwork on the application and sat alongside the Clerk, Sue Earnshaw whilst she completed the application on line. Thank you also goes to Ron Aspinall also for his contribution.

Now to more mundane tasks. We will be Himalayan Balsam picking on **Thursday 7 June from 6.30 pm** so why not join in. Meet at the Cemetery gates as usual.

The management group are meeting on Monday 18 June and would welcome any new faces to join us. We normally meet about 7 pm in a local drinking house, yet to be determined. If you want to come along and join us for our meeting and celebration drink please contact Linda for the details on 07779736206.

Hope to see you Thursday.
