Patrols

PCSO 438 Kuritzin reports:

02/01/18 between 2300 x 0100.

High visibility patrols of the Middlestown and Netherton. All areas of note checked at various times. There was nobody in the area and no calls for service.

PC 6487 Steel reports:

Patrols made today of Sitlington Parish area on Off Road motorcycle. Initially patrol made of Emroyd Woods due to recent reports of nuisance bikes. It is clear from within the woods that bikes have been used, however there have been new fences/gates erected which really limits access. I followed some tracks and it appears that the bikes are riding across the farmer's field on THORNHILL ROAD and up a banking directly into the woods. I will liaise with councillors to see if there is any way it can be fenced off. Whilst patrolling area I also spoke to several dog walkers and a horse rider who all stated the problem was a regular one, especially on a weekend.

I also patrolled Coxley Woods with no issues. I spent time at the local schools at closing time to ensure there were no issues with parking. Traffic patrols were also conducted again with no issues.

The only issue was a report of inconsiderate parking on main road out to Netherton. I located the vehicle and it transpired that the vehicles load had become insecure. I assisted the male who was struggling fastening the vehicles load back up and he then left the area.

PC 6487 Steel reports:

Further to my last, just before Christmas we caught a male riding a quad out of Coxley Woods. The quad was seized and the rider reported for summons for having no insurance. He has this week appeared at court and been issued with a £200 fine and 6 points on his licence.

PC 2534 Richardson Safer Roads

15/01/2018 between 1200 x 1400

Stocksmoor Road Patrolled during poor weather.

3 Traffic Offence Report for excess speeds 37-43 mph
2 Verbal Warnings for 35mph

PC 6487 Steel reports:

26/01/2018 between 1200 x 1400

Patrols made on off road motorbike on 26/01/2018 between 12:00 X 14:00 hrs. Patrolled local woods in Middlestown and then in Netherton. No issues at all and no fresh tracks noticed. Spent some time on main road coming from Horbury into area due to reports of bad driving. A male was seen on a motorbike overtaking vehicles at speed and doing so crossing solid white lines. Due to manner of driving I was unable to follow the rider however registration details were obtained. It transpires the bike is a courtesy bike provided by an insurer. I contacted them and have traced the rider to a well-known male in the Netherton area. I have arranged for him to attend Ossett Police Station. Update to follow.

No other issues in the area.

PCSO 438 Kuritzin reports:

31/01/18 between 2300hrs and 0100hrs.

High visibility patrols of Middlestown and Netherton. All areas of note checked at various times. A vehicle was PNC checked that was parked with occupants inside in the car park of Netherton Community Centre. Other than that there was nothing else to note and no calls for service.
