PC2819 Brumby reports

I attended Old Rd and spoke with [REDACTED] who has shown concerns regards the speeding issues in that area. I have actioned traffic officers to pay particular attention to that area and I stood and observed for a short time myself and the issue was evident even for only a few minutes.

I have also spoken to a few residents around Netherton Village Hall and they confirmed the issues and also Bikes were becoming an issue. Again, I have directed officers when and where possible to perform some patrols and move individuals on should there be any issues.
