Patrols:

PC 6487 Steel (Off Road Motorbike Team)

PC 2639 Gallagher

PC 1845 Blore

PCSO366 Adams

PC Steel reports,

Patrols made as part of SAFE scheme on 23/08/2020 between 13:30 x 15:00.

Having spoken to councillor regarding updates problems I patrolled Coxley Woods in relation to nuisance youths. No problems at all. I also monitored traffic at several points due to complaints of speeding. There was actually very little traffic although I did have to issue a ticket to a driver using their mobile phone.

Only issue of complaint was from a dog walker complaining about nuisance bikes coming from THORNHILL area along THORNHILL ROAD and into local woods. I have passed this information onto other members of off road bike team.

PC Steel reports,

Patrols made of area as part of SAFE scheme on 20/08/2020 between 13:00 x 15:00. Spoke with local councillor to discuss any new issues. Based on conversation I patrolled Coxley Woods and local off road areas due to complaints regarding group of youths causing problems. Nobody around in any of areas. Spoke to horse rider in local woods who stated no bikes had been in the area for a while.

General hi vis patrols made of area resulting in 1 X ticket issued to a motorist for not wearing a seatbelt.

Whilst in area a call was received regarding a suspicious vehicle in Middlestown. Transpired to be a suspicious quad. All checked out in order however whilst there 1 x off road bike was seen however the rider made off and no further sightings were made.

I was joined by my colleagues from the Off Road Bike team as part of their normal patrols so extensive patrols of the entire area were made for a large amount of time.

PC 1845 Blore reports

Safe scheme patrols carried out between 12:30 and 14:30 Tuesday 11/08/2020

Foot patrol and mobile patrol completed around the parish with it being the school holidays I patrolled in EMROYD COMMON surprisingly there was no youths in the woods and the footfall was quiet in the parish. I patrolled around Netherton village hall with no issues and patrolled Sandy lane after recent reports of speeding in the area.

There was nothing of note to report and no calls for service during the hours of patrol.

Crime

Middlestown

There were seven reported crimes in Middlestown. Two of these crimes were assaults linked to the same incident and were domestic related. 1 was a theft which was an incident where someone dropped their mobile phone and when they returned to the area where it had been dropped the phone was gone, so the presumption is that it was found by someone and not returned.

2 of the crimes were thefts from building sites where lead flashing and tools have been stolen.

The criminal damage was an incident where a dog managed to get into a chicken run and kill some chickens.

1 of the burglaries was a garage attached to a house which was broken into. The 2nd burglary was an incident where a house was damaged, however this is in relation to an ongoing dispute so not a typical burglary.

Midgley

The only report in Midgley was a damage to a motor vehicle, where a stone was thrown at a moving car causing damage to the windscreen.

Netherton

No reported crimes in Netherton

Overton

There was a report of criminal damage where it is believed a car has reversed into a concrete fence post causing damage, before driving off.
