Our AGM on Monday 11 April 2016 saw two new faces join the management group. Simon Pickering and Roz Perring joined the existing Friends with Mike Mee now standing down. Our thanks were conveyed to Mike for his enthusiasm, effort and hospitality over the last twelve months.

The condition of the paths remain high on the agenda. We have increased activity off the main paths which is raising concerns regarding the natural vegetation and an increase in paths that are becoming boggy in the wet weather.

Looking for funding for the new route and the war horse memorial is something we would ask all Friends to consider and pass any thoughts on to the Parish Council. Funding is to be sought from the local horse community for a seat made out of horseshoes to reflect the contribution war horses made in World War I. The Parish Council are proposing a war memorial for the fallen in the Parish.

We hope you can join us on Emroyd this summer so look out for details of our gatherings.
