

Friends of Emroyd

Improving Our Local Environment

NEWSLETTER 11

Welcome to new Friends who have joined us following our stand at Middlestown and Overton Gala.

We try to keep the newsletter short and informative so if at any time something is not clear please do not hesitate to contact the Clerk to the Parish Council, or Ron Aspinall, Parish Councillor or any one of the Friends on the management group.

We have planned our work session for Monday 13 June 2016. We have two meeting places either the cemetery gates at Middlestown or the entrance at the BOTTOM of Thornhill Road at 6.30 pm. We hope to be able to litter pick, cut back vegetation (please bring your own hand shears), pick Himalayan balsam and sow our trail area for our wild flower meadow. You should be appropriately dressed and bring your own refreshments if you need them.

Most important of all is that we are able to speak with each other and share ideas and discuss concerns about Emroyd. So please join us even if just to stroll along and chat about Emroyd if you do not feel able to take part in any of the activities.

We are now at the position where funding will need to be sought for the surface of the new route. This no doubt will be a lengthy process but we are working towards having the memorials and route to commemorate the end of World War I in 2018. We need all the help we can get so if any Friends have any ideas or possible connections regarding funding please let us know.

We look forward to seeing some of you on Monday but if you can't make this one then we also have one planned for Monday 25 July 2016.

Thankyou.

June 2016
