

Friends of Emroyd

Improving Our Local Environment

NEWSLETTER 12

For anyone who is available – the **next work session** is on
Monday 25 July 2016 at 6.30 pm

Meeting points will be:

either

Middlestown Cemetery gates

or

Entrance to Emroyd at the BOTTOM of Thornhill Road

Both groups will be Himalayan balsam picking and litter picking. We will then congregate on the field to inspect the newly planted wildflower plants and sow further seed onto the trial wildflower plot. This will also be a chance to catch up and share any thoughts on Emroyd.

Dress for the weather and don't forget your refreshments if you need them.

See you soon.
