

Friends of Emroyd

Improving Our Local Environment

NEWSLETTER 20 AUGUST 2017

Next work session for your diary:

Friends of Emroyd will be meeting **Tuesday evening 8 August** for their monthly work session. Efforts will be concentrated on the entrance at the bottom of Thornhill Road where Himalayan balsam needs picking together with ragwort. The triangle area has also overgrown. Access will be available by car. So you can either meet up at the cemetery gates at 6.30 pm and stroll through picking any litter, or go straight to the work site. Hope to see you there.

Other items which may be of interest to you or someone you know:

Sunday 6 August from 12 noon onwards - A fundraising dog show is being held behind Netherton Sports and Social Club. There will be fun classes, pet items for sale, stalls and food. Admission is £1 so come along with your four legged friend and enjoy the fun.

Friends of Netherton Village Hall have funds in the bank and would like the money to be put to good use for the hall and the local community. So if you are a member of a group who would like to use the hall, maybe for a one off event, why not approach us for some financial assistance. We can also help out setting up and making refreshments. Contact Linda Webster 07779736206 if you have any ideas.

Thanks.
